IWF CHANGE
PLATES

Coredeluxe LB Change Plates are sold in pairs or full sets, and include 1.25LB, 2.5LB, 5LB, and 10LB weight increments. Each plate features a 50.40MM collar opening and an exterior rubber coating for a firm, steady hold on any standard Olympic barbell. A color coding (Green/Blue/White) and quality matte finish give the plates a bold look, with easy recognition from a distance.

For serious lifters, incremental loading with change plates can mean the difference between matching an old PR or setting a new one. To order Coredeluxe LB Change Plates as a pair, standard set, or custom package, see the column on the right.
